WAGNER LEADS IN THE BIG SERIES

In Five Games He Made Seven Hits in Seventeen Times at Bat.

In five of the games in the Detroit-Pittsburgh world's series completed, fans can get a good idea as to who will carry off the honors in the field and at the bat, looking over the following figures, which show what each man has done in the first five games.

Wagner Batted Hard.
The batting honors belong to Hans Wagner, and he stands little chance of losing them in the series this year. In the five games he went to bat 17 times, made 7 hits and scored 3 runs, giving him an average of .412. Leach, D. Jones and Bush are tied for second place, with .323 each. Leach has made 6 hits in 18 times at bat, D. Jones, 7 hits in 21 times up, and Bush, 6 hits in 18 times up. The batting average of the three is .323. Leach has scored 5 runs for his team, D. Jones 4 and Bush 3. Crawford comes next, with 286, and the mighty Cobb stands sixth on the list, with 278. Guess those National League pitchers bother him. Fred Clarke is only batting .167, but of his 3 hits, 2 were home runs. In the tables given below no record is kept of 3-base hits, as there are none. A hit in the crowd is good for 2 bases, and in the bleachers it is a home run.

How They Fielded.
Quite a few of the players have a mark of 1,000 in the fielding averages, as they have not had many chances. Byrne has accepted 22 chances at third base without a miss. Gibson has handled 31 chances behind the bat in faultless style, and T. Jones has taken 50 chances at first without an error. Moriarity has accepted 17 chances without a "boot." Clarke and Leach have had 27 chances between them and Wilson has had but one.

BABY'S VOICE

Is the joy of the household, for without it no happiness can be complete. Angels smile at and commend the thoughts and aspirations of the mother bending over the cradle.

The ordeal through which the expectant mother must pass is such that she looks forward with dread to the hour when she shall feel the thrill of motherhood. Every woman should know that the danger and pain of child-birth can be avoided by the use of Mother's Friend, which renders pliable all the parts, assisting nature in its work. By its aid thousands of women have passed this crisis in safety. \$1.00 per bottle of druggists. Valuable book of information to women sent free.

READ THESE UNSOLICITED PRAISES:
341 Cortland St., Atlanta, Ga.—I can't find where to express my gratitude for the wonderful results obtained from your Glad-pheet Corn Remedy. Being a trained nurse, am on my feet most of the time. Before using Glad-pheet I tried numerous "remedies," with no success at all; in fact, my corns were worse, and I had just about made up my mind to have my toes amputated, regardless of disfigurement, for the pain was almost unbearable, even without shoes on, and as a last resort I gave Glad-pheet a trial, and the relief is worth a hundred times the price. Yours, with a heart full of gratitude, ESTELLE ROWLAND.

I have had wonderful success in removing with Glad-pheet old callouses which had baffled the skill of two or three doctors. One specialist wanted \$20. MRS. E. B. PERKINS, Springfield, Mass.

I cannot speak too highly of Glad-pheet. My wife was troubled fearfully, but after three days there wasn't a sign. We have boomed Glad-pheet in Philmont, N. Y. MR. ED. E. RHYNDERS, Philmont, N. Y.
